DATE: January 26, 2015

TO: Committee of Bar Examiners

FROM: Gayle Murphy, Senior Director, Admissions

SUBJECT: **Committee Planning Session – Bar Examination
Administration Rules and Policies**

BACKGROUND

The Committee of Bar Examiners currently has policies in place with regard to the administration of the examination. Attached for your reference are copies of the bulletin that is made available to the applicants regarding many of these policies. It has been some time since the Committee has reviewed these policies and whether changes to any of them should be contemplated.

DISCUSSION

After a presentation on this matter, if the Committee determines that certain policies should be updated, it would be appropriate for the Committee to direct staff to draft revisions and prepare them for consideration by the Committee at a future meeting.
